

PO Box 950

Jackson, OH 45640

(740) 988-7928

SCOPE:

Excalibur Registrations, LLC provides ISO 9001 Quality Management Systems and ISO 14001 Environmental Management Systems certification services to manufacturing and service organizations within the scope of our accreditation.

Our Auditors are selected and trained to look at your system and audit for compliance to the standard, implementation of the system within your organization, and the effectiveness of your system to provide your clients with the products and services they requested.

ACCREDITATION:

Excalibur Registrations maintains a management system accreditation that conforms to ISO 17021-1 Option A, 17021-2, 17021-3 and appropriate IAF mandatory documents.

POLICY:

Excalibur Registrations provides ISO 9001 and ISO 14001 services to its clients with the philosophy of providing a certification that provides "Maintaining the Edge".

IMPARTIALITY and CONFLICT of INTEREST:

The Excalibur management team and auditors understand that impartiality during the execution of the certification process is of great importance. We strive to ensure that are clients and all interested parties are treated in a manner that reflects the highest standards. We continually monitor our processes to ensure there are no conflicts of interest and promptly address any issues that arise.

SLOGAN:
